

# Installation kit !

# Unik 4 ©ertf

Information note N°3

Electronic roadbook for 2020 Andalucia Rally and 2021 Dakar for Car/SSV/Truck category

For this intermediate phase, Unik 4 does not replace GPS Unik 2.  
The GPS details displayed on Unik 4 come from GPS Unik 2.

## New !!! Installation kit for Unik 4 includes:

- Bracket
- Power supply
- Connection cable to the GPS
- Remote control

These accessories will be available early October 2020

More information soon regarding the connections with repeaters/Speedocap
