

# Unik4<sup>©ertf</sup> Now with GPS Unik2 integrated!

Information note N°5

For "Rallye du Maroc" 2021 and Dakar 2022, GPS Unik2 is integrated into Unik4.

To install the **New** Unik4 you need the following accessories:

## New accessories for everyone:

1. Power supply cable  
CALC-104

2. Remote/Media cable  
CINT-104

3. Remote control  
TECO-104

These accessories will be available in September 2021

New bracket except if you have got it on Andalucia Rally 2020/2021 and Dakar 2021:

4. Bracket  
SUPC-104

All the other Unik4 accessories from those rallies are not usable anymore

Accessories needed except if you already have these accessories from GPS Unik2:

5. GPS antenna  
ANTEC-101

6. GPS antenna cable  
CAAE-101

7. Sentinel antenna
